3. Withdrawal

1. Eligibility

1. Both new and existing clients can benefit from this bonus.
2. The bonus is added to any new deposit only.
3. The minimum Deposit requirement for the 100% Bonus is 1000 USD / 1000 EUR / 1000 GBP – depending on the account's currency
4. The maximum amount of a granted 100% Bonus would be 50 000 USD / 50 000 EUR / 50 000 GBP. Example: If a client deposits 80 000 USD – the amount of the 100% Bonus would be its maximum of 50 000 USD

2. Specifications

1. Any account that receives Bonus will be set with leverage 1:100.
2. Trading by Expert Advisors is forbidden in the 100% Bonus account
3. The 100% Bonus is non-withdrawable and non-tradable. The system would be detecting the Account's equity and if the amount of the Equity falls below the amount of the granted bonus – the bonus will be automatically removed by the system.
4. The Company reserves the right to amend or modify the campaign terms without prior notice.

3. Withdrawal

1. The 100% Bonus is non-withdrawable
2. Deposit and Profits from the 100% Bonus account can be withdrawn only after the set minimal trading requirement is met.

3. The minimum trading requirement is calculated by the following formula: “amount of the bonus / 4 ” Example: $4000 / 4 = 1000$ lots need to be traded before the 100% Bonus account is eligible for a withdrawal.
4. The minimum trading requirement does not consider any hedged positions made just to generate trading volume.
5. If a client insists to withdraw before minimal trading requirement is met – the Company has the right to void profits made by the client and process the withdrawal.
